Recommended approach

Follow the A6 and turn off at Ashford in the Water. Turn immediately left opposite the cricket field, past the village hall and turn right just before the road bends left past the excellent village store. Follow the B6465 before taking the first right onto Longstone Lane (if you reach the Monsal Head pub you have gone too far). Follow the road to reach Thornbridge Outdoors on the left. (Not to be confused with Thornbridge Hall on the right).

Parking

Come prepared for parking along the road (300-400 metres from the camp-

site). Do not park in Thornbridge Hall. You will be able to drive through the gatehouse to drop off your kit, but you will still have a short carry. If the grounds are dry enough you may be able to park on site. This will be clearly signposted.
